**A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF
NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY,
TO PROPOSE THE CREATION OF A RIDE SHARE BOARD TO INCREASE
USEFUL REASOURCES AVAILABLE TO STUDENTS ON CAMPUS AND
DECREASE THE UNIVERSITIES CARBON FOOTPRINT ON THE
ENVIROMENT**

WHEREAS: 86% of NKU students commute to campus on a daily basis, and

WHEREAS: In 2009 42% of NKU's carbon footprint (approximately 67,525 metric tons of CO₂ equivalent) was attributed to student commuting activities, and

WHEREAS: A ride share board would open an opportunity for students to save money and help preserve the environment, and

WHEREAS: In accordance with President Votruba's and SGA 2010-2011 yearly goals (stated at the August 31 SGA meeting) to pursue the NKU "Go Green" initiative, and

WHEREAS: NKU is a signatory to the American College and University Presidents Climate Commitment, and

WHEREAS: Signatories to the ACUPCC commit to working towards climate neutrality by a predetermined date,

BE IT THEREFORE RESOLVED, on this ____ of _____, that the Student Government Association recommends the creation of a ride share board to aid commuting students and improve the environment.
